**Volume 7, Issue 3**

## **Pulling Year 2007**

The pulling season started with the first state sanctioned pull at Houston MN , this was on June 2 .

Then we all ventured down that way again for a pull in Eitzen MN on the 3rd of July— for our second state sanctioned pull.

Followed by St Peter on July 4th—the third annual one. We then went to St Charles on July 14th.

We then went to Waseca on July 19th (this was a new one).

Garden City (also a new one) was on August 2nd. Followed by New Germany on August 3rd..

Then traveled to Redwood Falls on August 7. Pipestone was August 8th, then went to St. Peter on the 9th, Waconia on the 10th, and Proctor on the 11th.

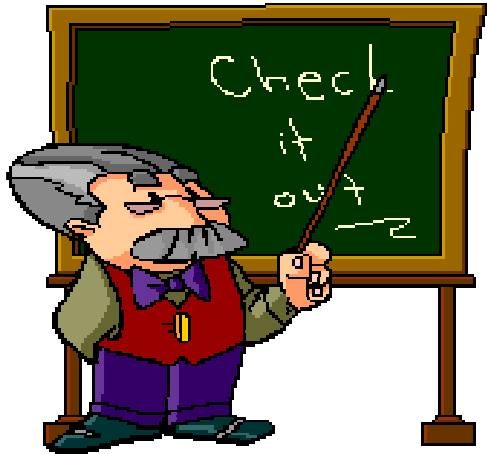

We then had two new pulls to finish out the season. August 18th was at LeCenter — unfortunately was a rainout this year. Then the last pull of the season was on August 25th at Howard Lake.

This gave us 14 UPM State pulls this year. That is four more than last year.

Lets keep the numbers going up in the classes, have safe pulls and have fun. That is how we get more state pulls every year. LETS KEEP IT UP!!!!
